

# Six Family Caravan Configuration

A) Communal Structure B) Split Caravans transformed into bathrooms C) "L" Shaped Caravan Home D) "U" Shaped Caravan Home E) Ramp F) Enclosed Rainwater Tanks

## storage shelving unit / flexible furniture

This piece of furniture comes in two variations, one with two french doors below the bench seat and one with a lift up bench seat for a cleaner appearance. It was designed with privacy, functionality and adaptability in mind. The bench offers seating for a dining area as well as a bedside table surface. The peg board frame offers numerous attachable storage additions.

## communal gathering structure
